

The background is a blue-toned image of a complex network, resembling a blockchain or a digital web, with glowing lines and nodes. Overlaid on this are two rows of white squares. The top row consists of 14 squares, and the bottom row consists of 14 squares. The central text is enclosed in a white rectangular border.

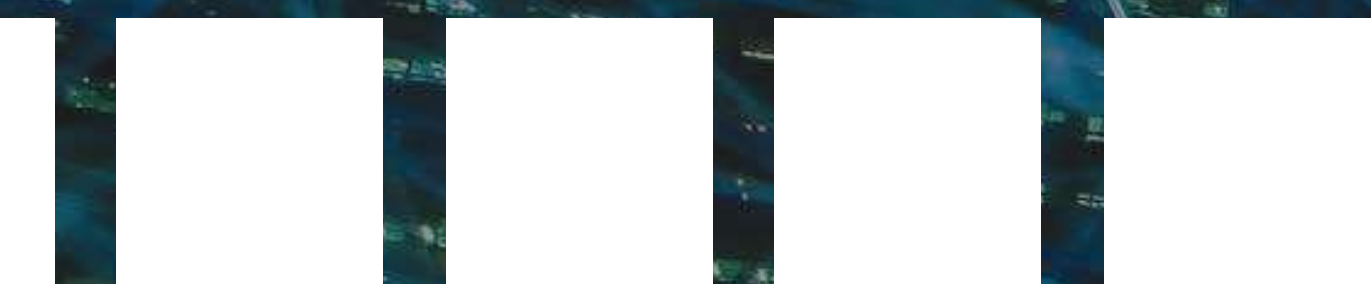

# BLOCKCHAIN FOR LAWYERS 101

Some technologies are so  
**disruptive**, they change the  
world over.

■ ■ ■ ■ ■ The Internet

The background is a blue-toned image of a complex network, resembling a blockchain or data web, with glowing lines and nodes. Overlaid on this are two horizontal rows of white squares. The top row consists of 14 squares, and the bottom row consists of 15 squares. The central text is enclosed in a white double-line rectangular border.

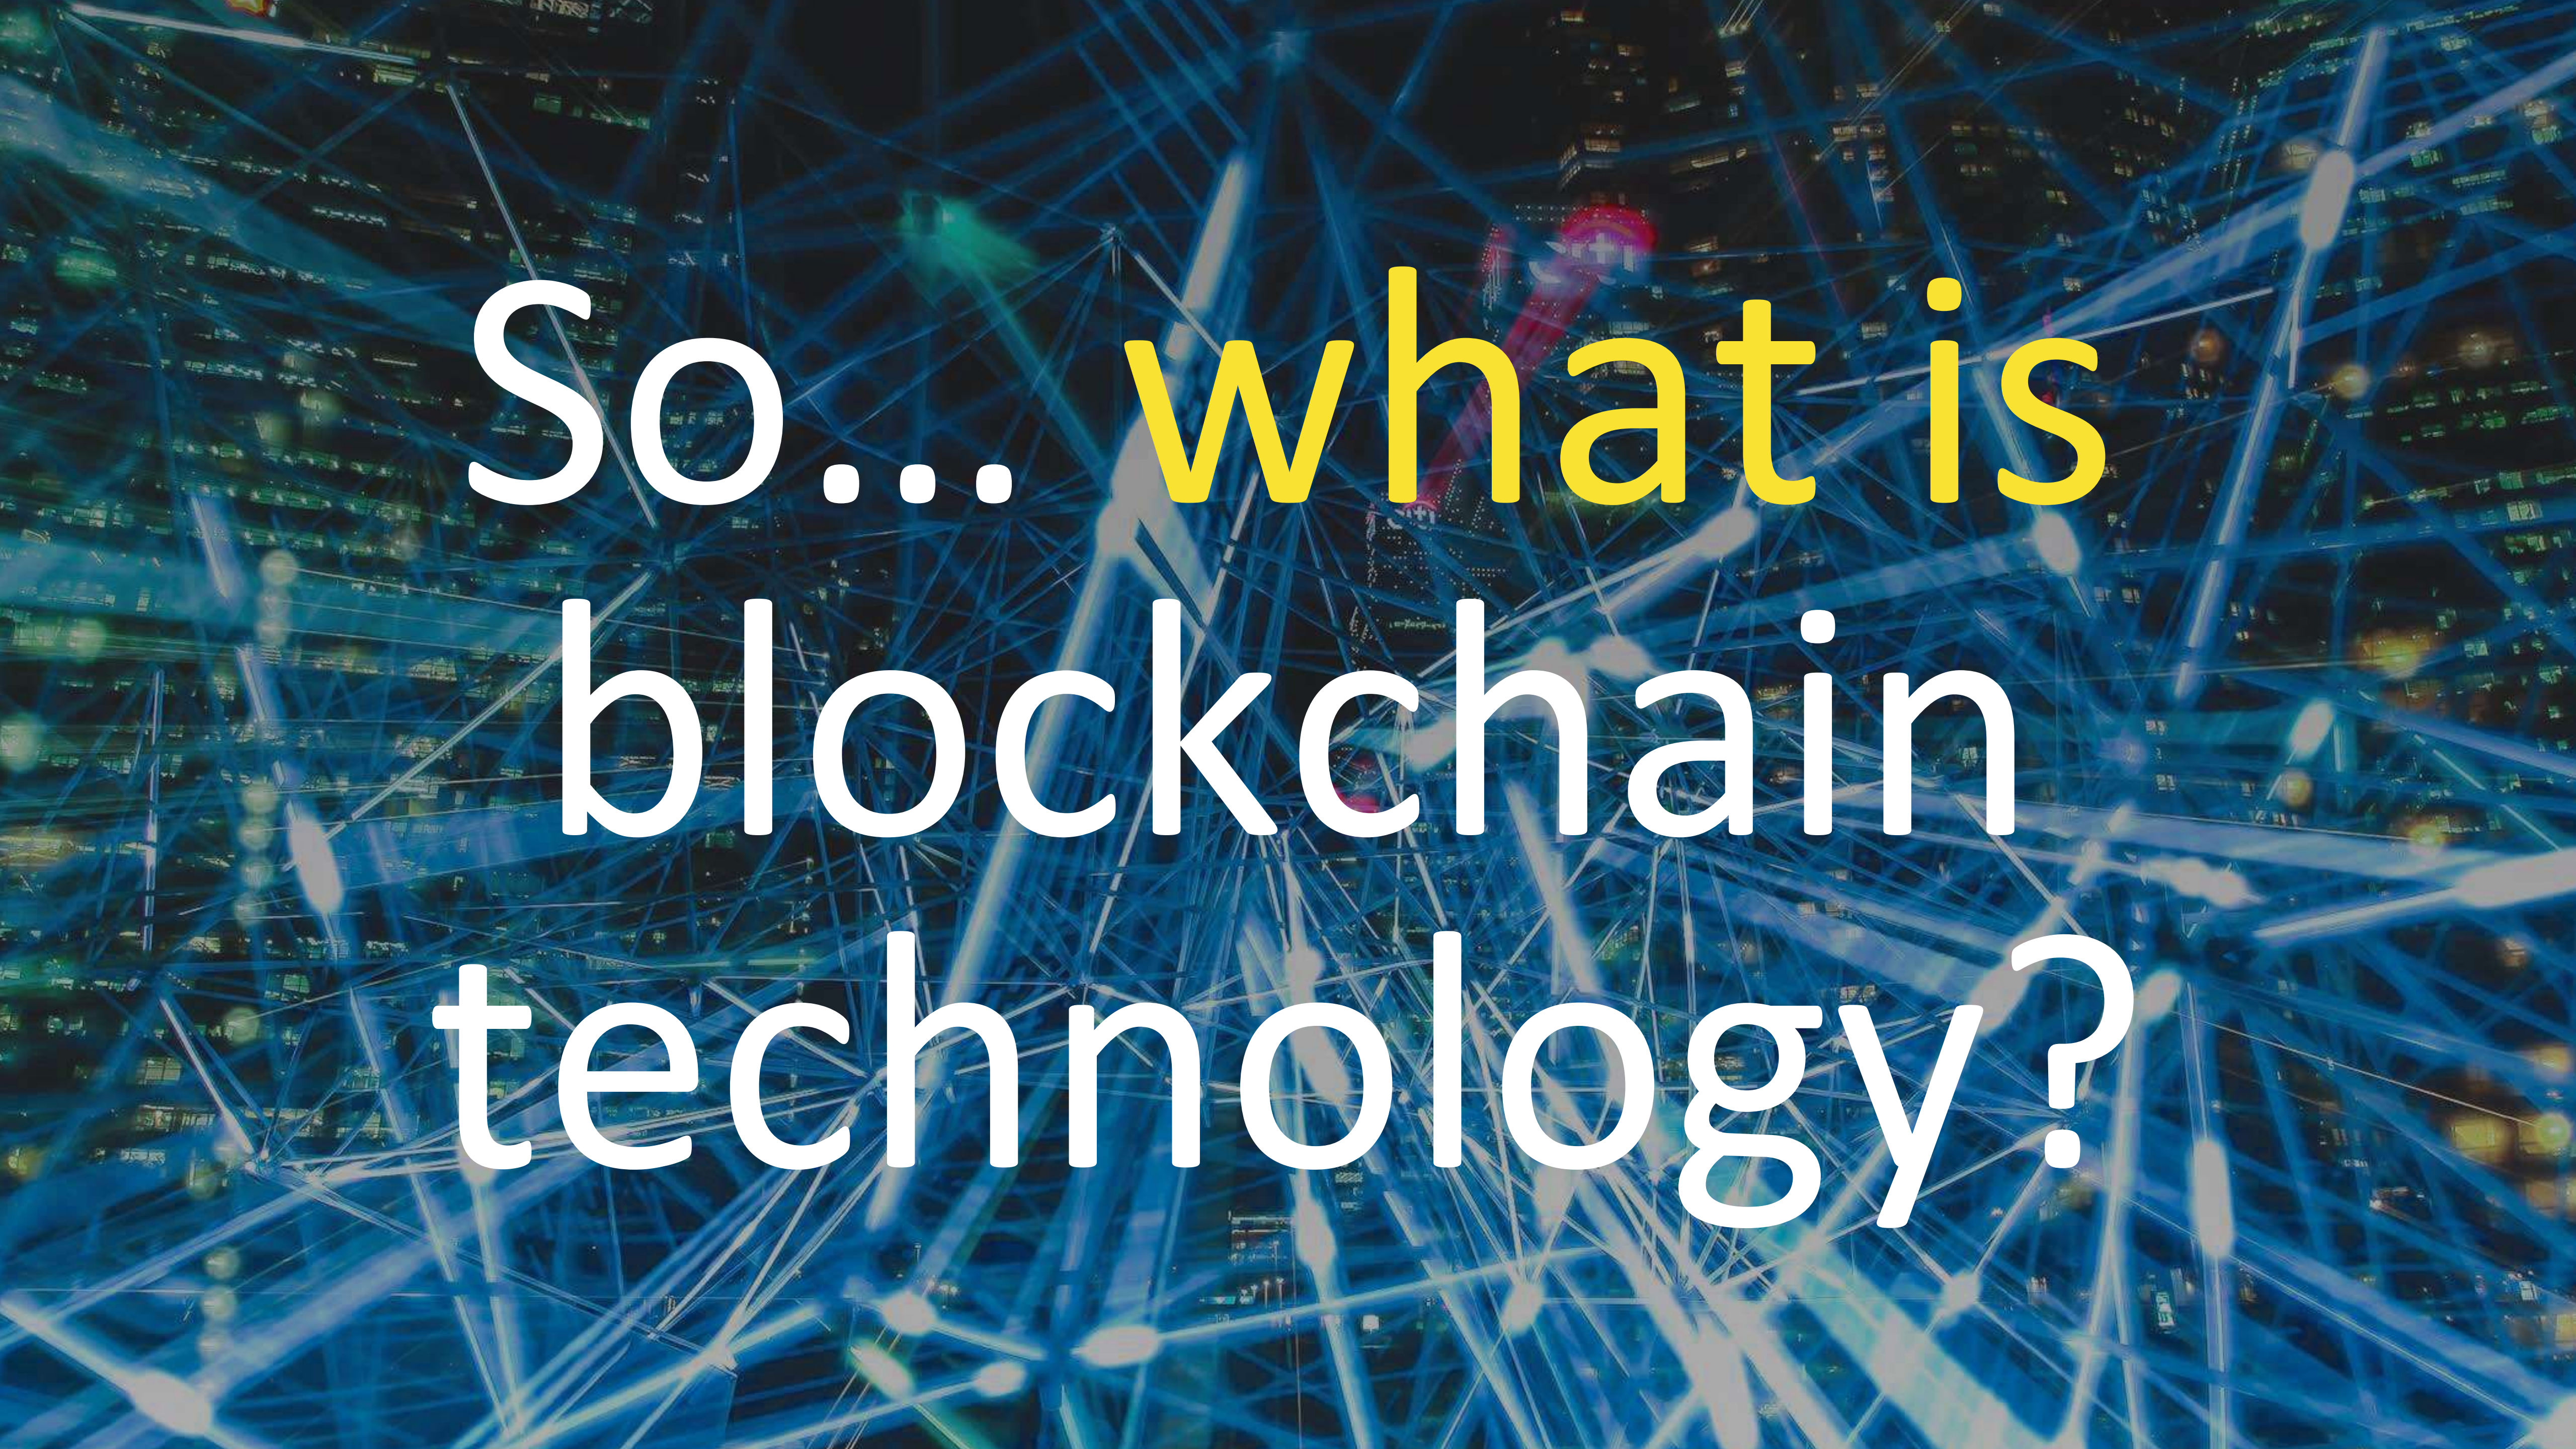

# BLOCKCHAIN FOR LAWYERS 101

If you could go back to 1992 and  
realize how substantial the  
internet would become...  
what would you do  
differently?

So... what is  
blockchain  
technology?

The background is a blue-toned image of a complex network with glowing lines and nodes, resembling a blockchain or data network. Overlaid on this are two rows of white squares. The top row consists of 14 squares arranged in two staggered horizontal lines of seven. The bottom row also consists of 14 squares arranged in two staggered horizontal lines of seven.

# BLOCKCHAIN FOR LAWYERS 101

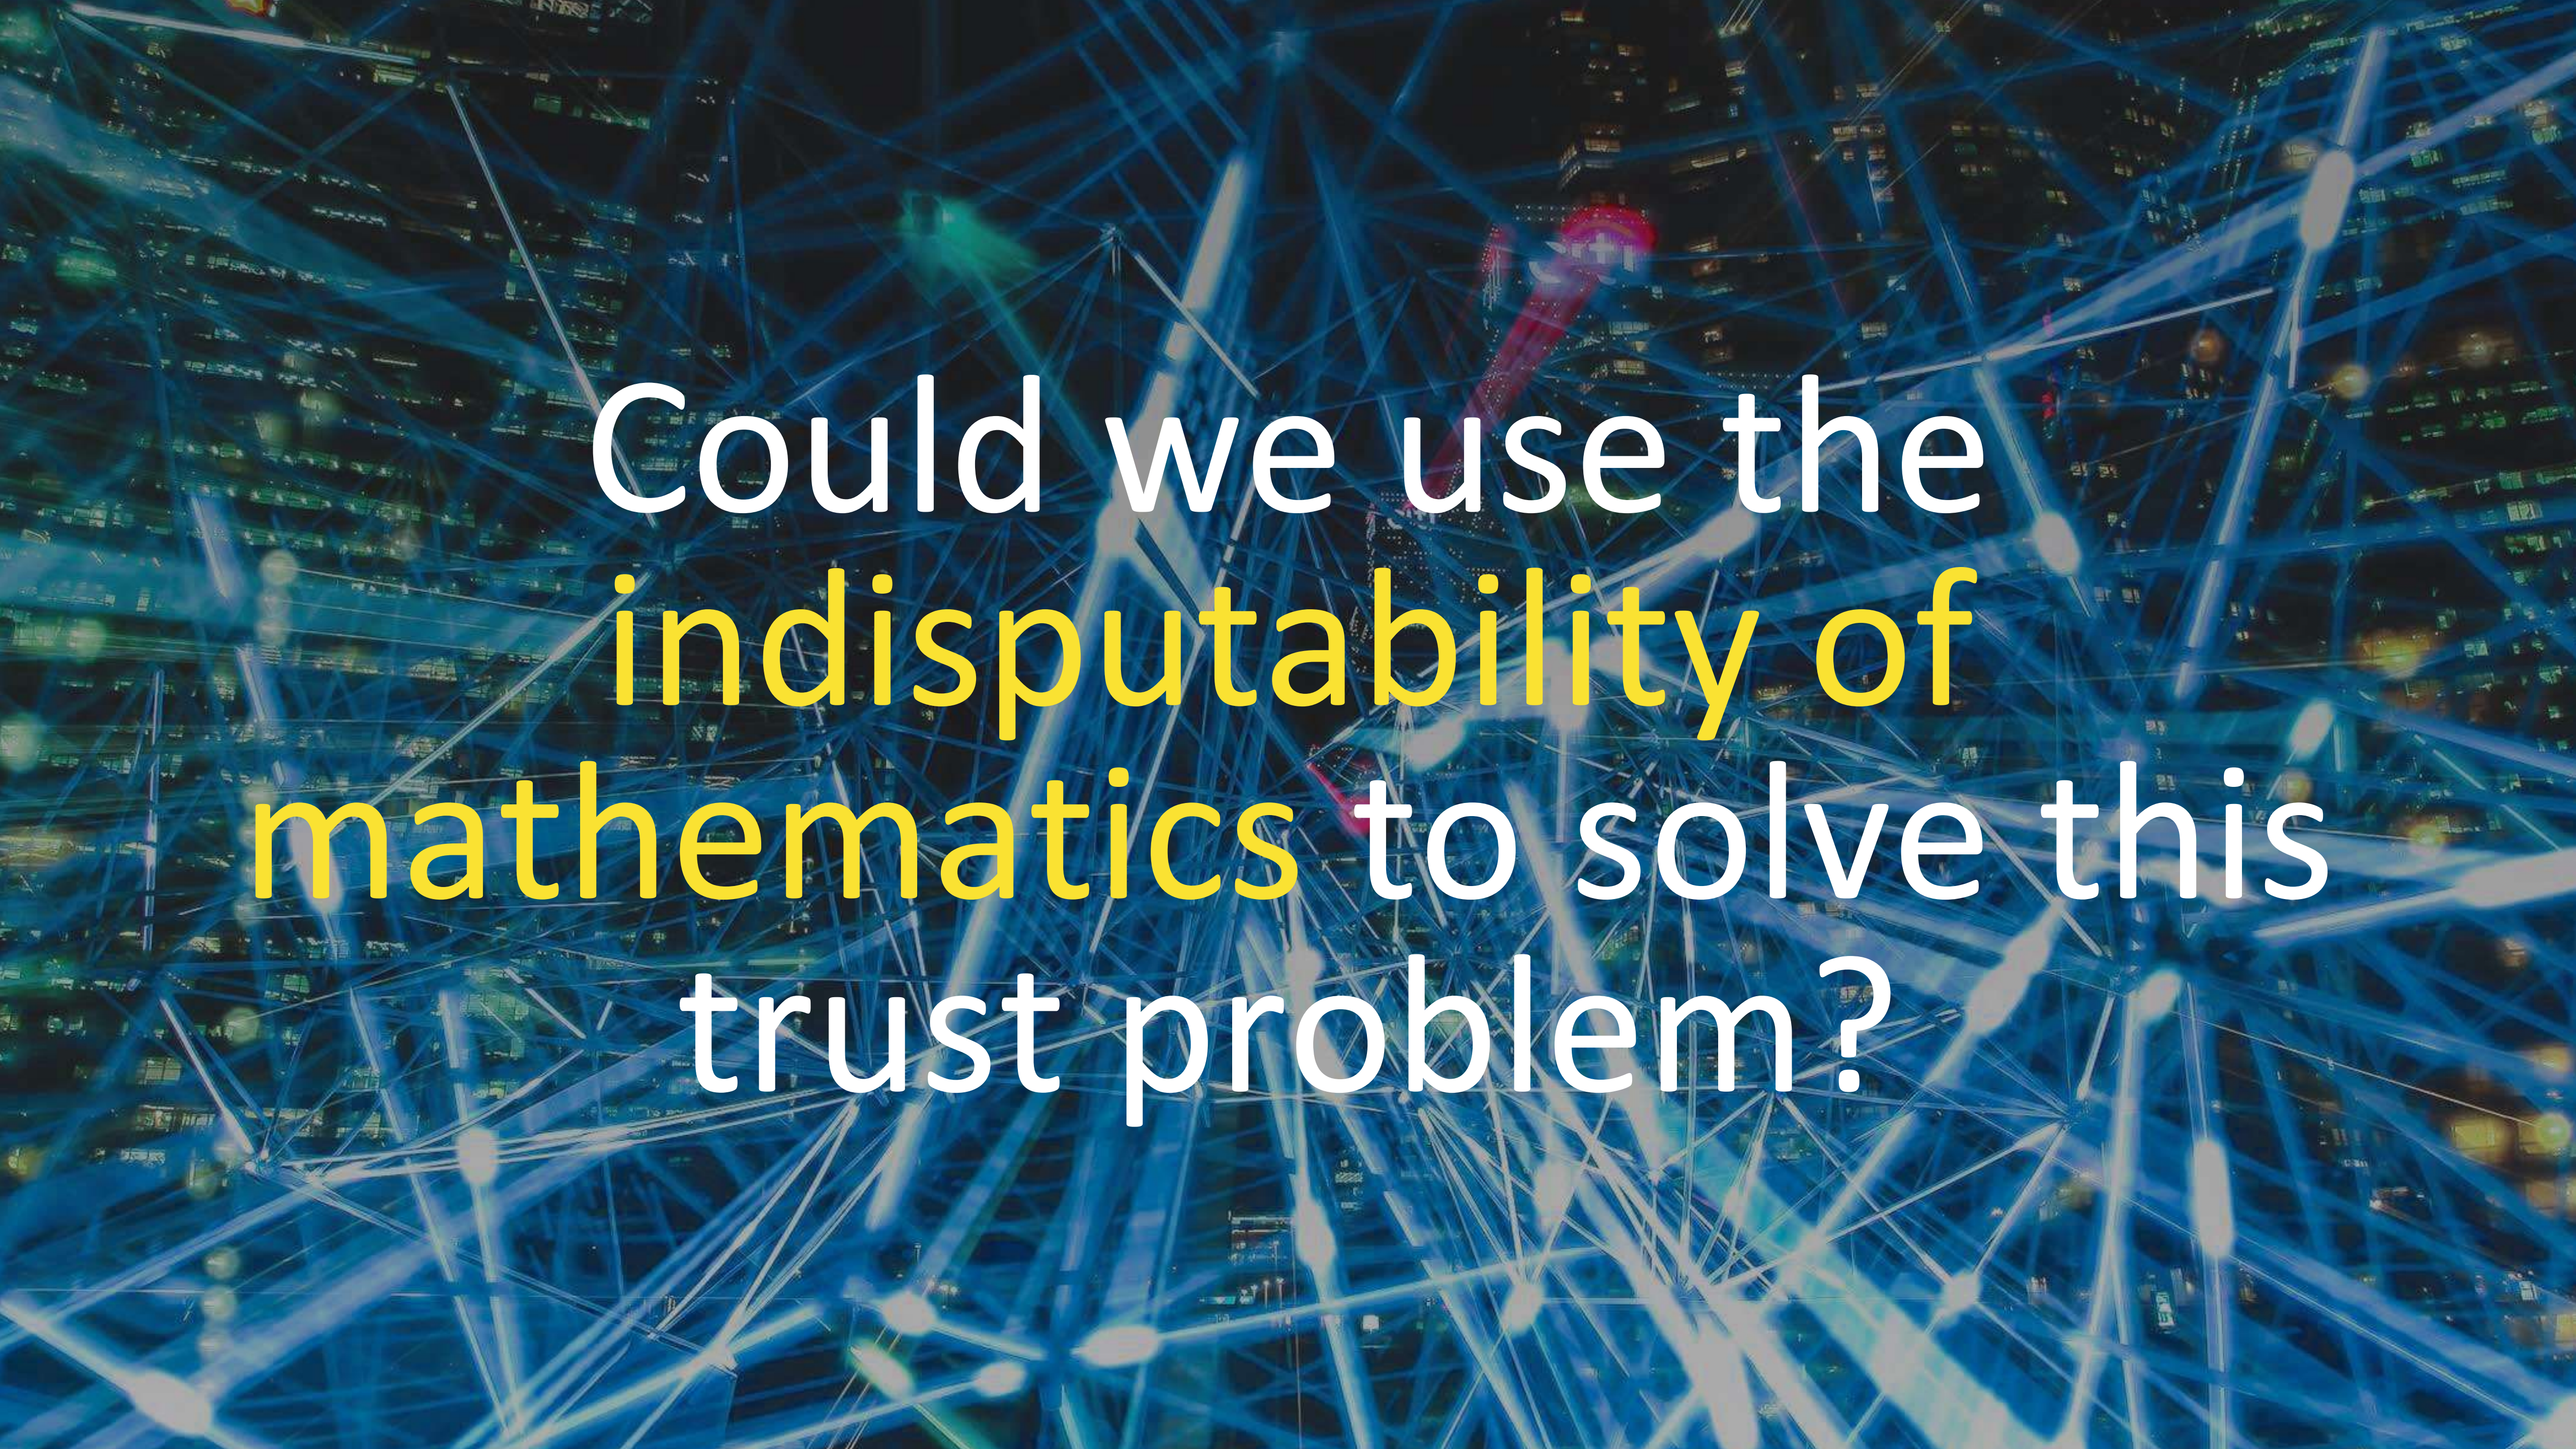

# “The Trust Problem”

The world has a  
trust problem, and  
the world needs  
trust.

Could we use the  
indisputability of  
mathematics to solve this  
trust problem?

The background is a blue-toned image of a complex network, resembling a blockchain or data web, with glowing lines and nodes. Overlaid on this are two rows of white squares: a top row of 12 squares and a bottom row of 14 squares, arranged in a staggered pattern.
